Attention: Glad Branson

Dear Miss Branson:

The Van Nuys Woman's Club is one of the oldest clubs in the Valley - 50 years old this year. Our clubwomen devote many hours to welfare and community projects. When our articles appear in your fine newspaper, it informs members as well as others of coming events of our club and philanthropic projects we are working on.

Our club would like for you to know that we appreciate the excellent job you are doing in printing articles which our Press Chairman sends you. We thank you for your continued efforts on our behalf.

Yours very truly,

Mrs. Ralph Whistler  
Corresponding Secretary
